

Parent and Child Programme

Saturday, January 12th 2008 - Saturday, March 1st 2007

9:30 a.m. to 12:00 p.m.

For children aged 18 months to 4 years
and their parents or caregivers

The joyful early years of your child's life are a time for imaginative play and the early development of social skills. Expression of creativity and physical and emotional development are a strong foundation for the academic work of formal education in later years. We invite you to join other parents and their children in an enjoyable setting with story time, playtime, crafts, puppet plays and circle time. There will also be opportunities to share insights, questions and ideas about parenting and education.

The cost for the eight week Parent and Child Programme is \$220.00. Please call 416.962.6447, ext. 1, with questions or to register, or invite a neighbour or friend to register.
