There is only one payment plan option for Child Programs.

Families can pay by Visa (a 2% fee applies) or by Pre-Authorized debit

Application Fee

Each application must be submitted with a \$100 application fee. This fee is **non-refundable** and is not an indication your child is accepted.

Deposit

For all programs except our Child Care programs, a \$600 **non-refundable** deposit is due at the time of acceptance.

New Family Enrolment Fee

New families to the school are required to pay a \$3000 **non-refundable** registration fee. This is a one time fee, is in addition to tuition, and is due at the time of acceptance.

The fee is not applicable to our Parent Education Classes, Child Care, Playschool or Nursery Programs. The fee is applicable starting in Kindergarten and new families in Kindergarten are eligible to pay a reduced enrolment fee of \$1,000 for the Kindergarten years, to be used as a partial payment toward the full enrolment fee.

Activity Fees

In the grade school, the cost of class outings, trips and school supplies are additional to tuition fees, and are generally covered by a school activity fee. For the upcoming year the fee is \$100 starting in grade one, and escalating \$100 per year per grade to a maximum of \$500 for grades five, six, seven and eight.

Sibling Discounts

Family discounts are offered on the following basis: 20% for the second child, 50% for the third child, and 75% for the fourth child. Discounts do not apply for the Parent Education Classes, or our Child Care programs.

***Child Care**

The Toddler and Preschool programs will be licensed under the Ministry of Child and Youth Services. These programs are generally known in the market place as “Daycare.” They are 50 week programs. They are closed for one week during the December winter break and one week at the end of July. The programs include hot lunches and snacks. The centre is closed for all statutory holidays.

Fundraising

We are deeply grateful to families who support the school’s fundraising efforts. Parents are expected to donate \$1,500 per family to help support the most immediate needs not covered by tuition. Donations are fully tax deductible and official receipts will be issued by the end of February.

Other Programs

After School Care is available from 3:30-6pm at a cost of \$15 per day

Camps are offered on all days where the school is not in session and where no statutory holiday exists. Camps are also offered for the two weeks of March break and for the last two weeks in June. Camps are not offered for the two week winter break. Camps are only for grade school children. Pre-registration is required. Non-registered same day drop-ins are subject to child/caregiver ratios, and a space for your child is not guaranteed.

Receipts for Income Tax Purposes – Child Care

In addition to receipts for donations to the school the Office issues Child Care receipts by the end of February that can be used for income tax purposes. The amount and availability of these receipts vary by age, grade and tax year and are issued for that period of time that is supervised and non-academic.

Fees Payable for Student Withdrawal

In the event a child withdraws from the school, parents are responsible to pay for the full tuition for the full term. The school reserves the right to ask for the withdrawal of a child, in which case tuition fees will be reimbursed on a pro-rated basis.

Tuition Assistance

The school strives to include as broad an economic and social population as possible so as to ensure our School reflects the society we live in. As such families who have a demonstrated financial need can apply for tuition assistance.

Fee Adjustment

Fees are subject to an annual adjustment as set by the Board of Directors for the student contract (June 1 to May 31).
